Dear Parents,

We hope that you are all well during these difficult times. The children all received a paper pack that covered at least 2 weeks of learning in the final few days that school was fully open. This included the details of how they could access their learning online. We know that many of them are using the systems, as they and some of you have been sending us questions, please continue with this.

During the Easter holidays we would like you to; continue to read for 10 mins every day, carry on learning the Year 3 and 4 CEW and learn your times tables.

The Year 4 teaching team are busy preparing the next two weeks of 'Home Learning' that will commence after the Easter Holidays (w/beg April 20th). We would like the children to message their teacher/s via an outlook email or using chat in Teams to let us know what work they have completed so far. All future learning will be sent via this system so it is important we know it can be accessed. Any child unable to log on or family having difficulties accessing online provision can contact the school office or one of the Year 4 teaching team.
