Dear Parents,

We hope that you are all well during these difficult times. The children all received a paper pack that covered at least 2 weeks of learning in the final few days that school was fully open. This included the details of how they could access their learning online – via Tapestry and useful website links. Thank you to those who have already completed home learning and for sharing observations.

The Reception teaching team are busy preparing the next two weeks of 'Home Learning' that will commence after the Easter Holidays (w/beg April 20th). All future learning will be sent out via Tapestry so it is important that you are checking this on a regular basis. If any parent/guardian is having difficulties accessing Tapestry, then please contact the school office or one of the Reception teaching team as soon as possible.
