Wednesday 7th October 2020

Harvest Festival 2020

Dear Parents / Guardians,

Our Harvest will be slightly different this year. We will still be celebrating it on Friday 16th October, but rather than a whole school assembly, children will be covering the learning and themed activities in their bubbles.

We will be creating some lovely pieces of Harvest celebration work, which each class will then share with the rest of the school, via photographs and videos. The Hope Centre have also shared two short films for the children to watch, so they are still involved.

We shall be sending most of our contributions to the Hope Centre in Northampton but they have also encouraged us to use some donations to share directly with some of our families in need. Our FSWs will organise the delivery of these items over the following week.

We would be grateful for any long-date-life donations such as:

- tinned foods eg soups, vegetables and sauces
- dried foods eg pasta, rice and soups
- packet foods eg biscuits, crisps and noodles
- toiletries eg shampoos, conditioners and deodorants and cleaning products
- washing powders and fabric conditioners

The children are to bring the donated items into school with them on Friday 16th October. They will keep the item with them until they go into the hall to place it on the display. The donations will then be untouched until Monday 19th when the Hope Centre will collect some of them and our FSWs will create our school's food parcels. This will give enough time for the donations to be in quarantine.

It is a very strange time for us all and we really appreciate all the support you continue to give to those in need, both within our school community and across Northamptonshire.

Thank you.

Miss La Porta
