

04.01.2021

Dear Parents/Carers

Following the Government announcement at 8pm tonight, we are now closed from tomorrow until at least February half term and all learning will be done remotely.

Login details to access remote learning will be issued tomorrow unless you have already received these today.

We will work as quickly as possible to issue free school meal vouchers to those eligible once we receive notification from the Local Authority on how these will be issued.

We will also send out communication regarding criteria for accessing childcare for key worker children and vulnerable children. This childcare will be provided by Wednesday, at the very earliest, due to the late notice we have received. We have to ensure that we have adequate staffing, planned rotas and all areas for children have been set up correctly.

Please note that key worker places will only be given if all parents/carers are critical to the COVID-19 response and we have been advised to request proof of relevant employment.

Please do not send your child to school until you have received notification from us that your child has been given a place.

We fully appreciate and understand that this is the last thing that our families want and need at the moment and as a school body we are shocked that we are returning to the strict measures that were put in place last year.

Please continue to check your emails over the next couple of days.

Thank you

Mrs P Howell  
Head Teacher
