

06.01.2021

Dear Parent/Carer

We have continued to receive requests for school places today and the number of children in school is considerably high. This means that we have had to make some very difficult decisions regarding who we are able to offer school places to. We must continue to monitor numbers regularly to ensure that we remain as safe as possible in school and, with each classroom open and some classes with almost half the class attending, this is becoming more and more difficult.

We can currently still offer your child(ren) a place, however, please be aware that you have been selected as an 'at risk place'. This means that if we receive further requests from vulnerable and/or key workers we will have to re-assess the places we have offered and may have to withdraw our offer of a school place.

If you feel that you are able to keep your child(ren) at home then please do let us know. Also, you are not obliged to send your child every day during this lockdown period so if you can reduce the numbers of days your child attends this will also assist us in managing numbers so please let us know if this is the case.

We will give as much notice as possible if we do have to withdraw your child(ren)'s place and we apologise that we have had to make these difficult decisions.

Many thanks for understanding and continued support.

Mrs Howard  
School Business Manager
