Dear Parents,

Please find attached the 2022 Multiplication Tables Check leaflet for parents. The test will take place in June for all Year 4 children, and will assess how fluently they can recall their tables to 12x12.

Regular times-table practice will help to prepare your child for the test, as well as helping them greatly with daily Maths lessons. TTR and Maths Factor are two fun ways to learn times tables. Your child should have their TTR log in details on the inside cover of his/ her reading record. Please use the following link to access Maths Factor.

If you have any questions or difficulties with this, please speak to your child's class teacher.

Thank you
